Collin Gins Report 26,068 Bales This Year

Gins in Collins County have processed 26,068 bales of cotton since harvest began in the latter part of the summer, according to latest reports from the office of the Texas Employment Commission here.

This is comparable to 35,251 bales ginned in the county to the same date, September 29, last year. Of this amount McKinney gins processed 2,548 bales this year, while last year at the same time they had ginned 3,634 bales.

Less than 100 more bales are expected by the end of the harvest.

Small Boy Is Attacked By Stray Dog

Paul Vest, about five years of age, was treated for severe lacerations about the face, caused when he was bitten by a dog Friday morning. The child is the son of Mr. and Mrs. Leroy Vest, who live on the John Wells farm west of Plano.

Paul had accompanied a group of children to catch a school bus and was returning to his home when he was attacked by the dog. The dog was a stray which had appeared at the Vest home several times within the past few days, and had been chased away.

The youngster was rushed to the Wysong Clinic in McKinney, where he was treated by Dr. Charles Wysong.

Mrs. Ed Veigel and children, David and Raul, are visiting her parents, Mr. and Mrs. Hill, in Austin.

McKinney High Students Will Attend Forum

Interviewing and photographic contests for high school and college journalism students will share top position on the Southwest Journalism Forum agenda when it opens Friday morning in Karcher Hall, SMU.

E. L. Callihan, SMU Journalism Department chairman said state-wide registrations for the 1-day event are the largest of the series. He explained that most of the forum students would remain over for the High School Journalism Day program Saturday.

In the Friday interview contest, student reporters will fire questions at Bobby Clark, noted Broadway actor who will be in Dallas to star in the comedy, "Damn Yankees," playing at the State Fair Auditorium.

Photography contestants will train their lenses on Miss Lynn Edson, Dallas professional model and magazine cover girl.

Top contest winners will receive \$50 U.S. Savings Bonds, awarded by the Press Club of Dallas in both the high school and college divisions.

Books on journalism, donated by McMurray's Book Shop of Dallas, will be given to runners-up in the interview event.

Second prizes, each consisting of \$30 worth of photographic supplies, will go to all runners-up in the photographic affair.

Joseph B. Marvat, regional public relations director, American Airlines, Dallas, will serve as contests chairman.

Judges for the interview contest will be John E. King, Jr., city editor, Dallas Morning News; Bert Holmes, news editor, Dallas Times Herald; and William C. Barnard, Texas chief, Associated Press, and president of the Press Club of Dallas.

The photography event will be judged by Coates Mowbray, Bill Ernest and Ken Carson, local representatives for the DuPont, Ansco and Eastman companies respectively.

Morning and afternoon Forum sessions will feature mostly prominent Texas journalists, but J. Roger Deas, public relations director of American Can Co., Chicago, will address the morning workshop on the management function of public relations.

Other well known speakers will include J. Frank Dobie, "Dean of Texas Writers"; Warren Leslie, executive assistant, Neiman-Marcus Co., Dallas, and author of "The Best Thing That Ever Happened"; and Lon Tinkle, professor of comparative literature, SMU, and book editor, Dallas Morning News.

An awards luncheon, at noon Friday, in the Humphrey Lee Student Center on the SMU campus will highlight the 1-day forum. Principal speaker will be Stanley Walker, Lampasas, (Texas) journalist and formerly city editor of the New York Herald Tribune and managing editor of the New York Mirror and Philadelphia Public Ledger.

Tom W. Perkins Jr., McKinney newspaper man is 1956 Forum program chairman and will preside at all Forum workshops.

McKinney Medics Attend Meeting In Dallas Today

Dr. H. Stuart Willis of Chapel Hill, C. N., was congratulated by Dr. Edward T. Blomquist of Washington, D. C. upon his acclaim as the "person who has done the most in TB control in the South." The award was given by delegates to the Southern Tuberculosis Conference meeting in Dallas Saturday. Area representatives included 15 states with Texas being the most Western.

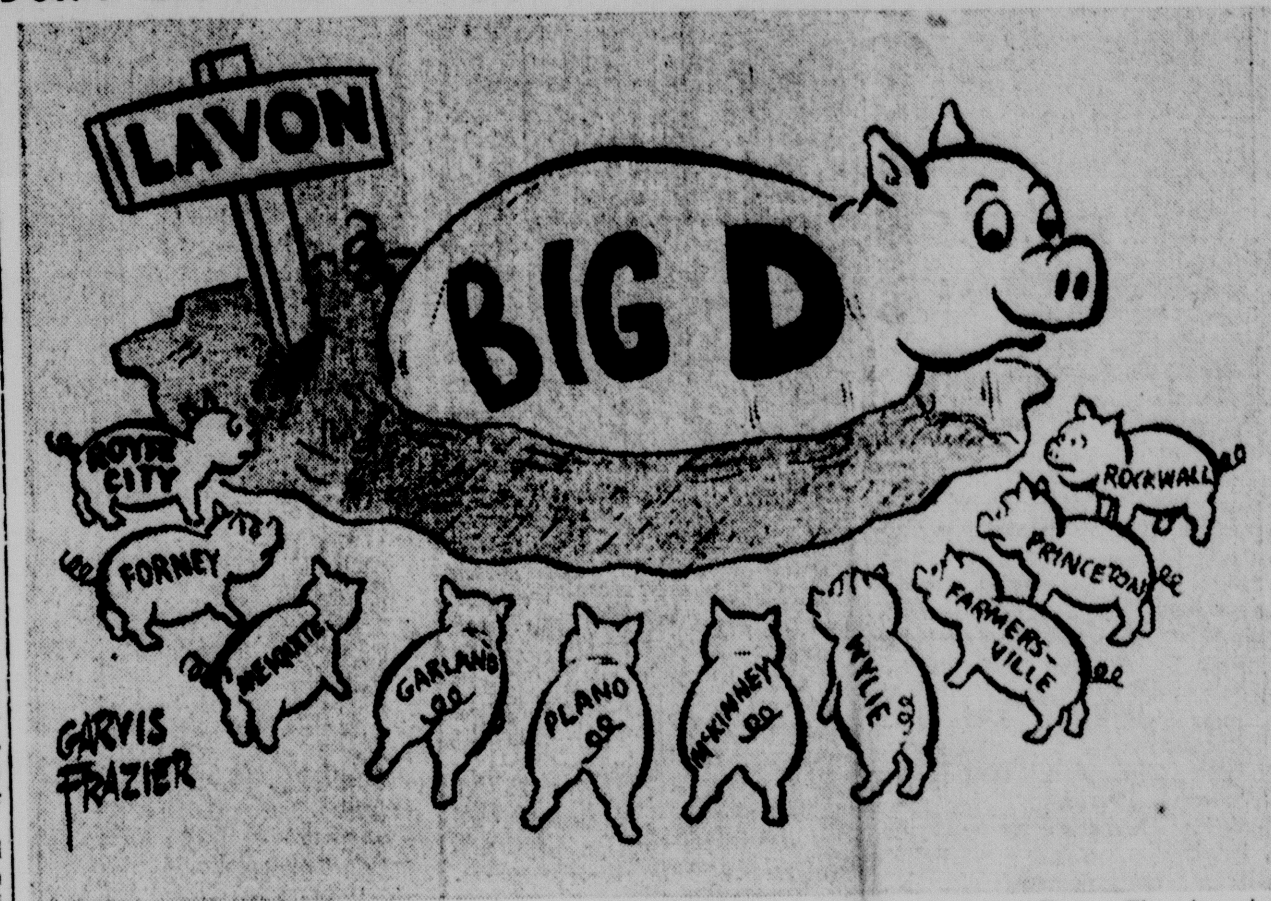

Willis heads North Carolina's Sanatorium System; Blomquist, the TB control division of the U. S. Public Health Department.

McKinney doctors participating as discussion leaders of the conference included Drs. Delmar O. Shields, Robert S. Meador, Howard M. DuBose and Paul L. Richburg.

Mrs. R. L. Moulden of Dallas, was a McKinney visitor Thursday. Mrs. Moulden is a former resident of this city, moving to Dallas some two years ago. Her host of friends are always pleased to see her on her occasional visits back to McKinney.

Mr. and Mrs. Frank Reddell Jr. and Mrs. Clara Reddell attended the TCU-Arkansas game in Fort Worth, Saturday.

Boy Scouts To Distribute Smile Day Bags

Annual Smile Day, to benefit Goodwill Industries, of Dallas, will be observed in McKinney and Collin County this month. Al Malone, general chairman for the program in McKinney, announces that the bags, which are to be filled for the Goodwill Industries, will be distributed Saturday by local Boy Scouts. On the following Saturday, October 20, the Scouts will collect the bags all day, until 2 p. m.

There will be approximately 5,000 bags delivered in McKinney and a total of 30,000 distributed in the county.

It is to be remembered that Goodwill Industries employed 285 handicapped persons — men and women — who recondition articles of clothing, shoes, linens, and other items, which are sold at normal fees. The persons employed in this work have no other means of livelihood, but through Goodwill Industries are enabled to be self-supporting.

All kinds of clothing, shoes, bed linens, and other small items which will fit into the large paper bags, are acceptable. The campaign has always been a successful one in this area, and Chairman Malone is asking for the same fine support again this year.

Local Nimrods Bag Limit On Hunting Trip To Wyoming

A party of local hunters have returned from a week's outing to Herman Werner's Ranch in Wyoming where they had a most enjoyable and successful hunt. Each hunter got his limit, one buck deer and one buck antelope, plus a wildcat, shot by Bob Clark and a rattlesnake killed by Wilbur Thompson.

Members of the hunting party included Frank Gilbert of Tucson, Ariz., Dal Aultry, of Dallas, Claud Melton, of Alla Hubbard, Arthur McGhee, Bill Dunagan, J. W. Thompson, Woodrow Crim, Bob Clark, Ted Floyd and F. A. (Hap) Wilder.

A most thrilling experience was encountered by Ted Floyd and four of the younger men in the party, who were lost for several hours in a big canyon. They had followed tracks made by a jeep only to find that they could not leave the canyon by the same route. Thompson said "for a time it looked like we were going to have to bring the pickup truck out, piece by piece." However they managed to finally emerge, all in one piece, with three big bucks, and to their surprise, were only a short distance from their camp.

The Werner Ranch is located in a beautiful section of Wyoming, high in the mountains, covering a vast area. Werner, the owner, a long-time friend of Bill Dunagan and McGhee, had just recently returned from Russia where he represented the government on the exchange rancher program with Russia.

Mr. and Mrs. J. A. Smith and daughter, Miss Fay Smith, were guests Sunday in the home of their daughter, Mrs. C. A. Frederick and Mr. Frederick in Dallas. A turkey dinner was served the group at the noon hour.

Mr. and Mrs. J. Edward Smith, of Fort Worth, visited her parents, Mr. and Mrs. J. E. Smith on Rock Hill road, Mrs. Smith is the former Mary Blanche Smith, and attended Boyd High School here.

Homecoming Of Allen Exes To Be Held October 25

October 25 is a red letter day for all exes of Allen school. On this date the visitors will see the Allen High Eagles in a fervid football game with Collinsville at 8 p. m.

After the ballgame a reception will be held in the school gymnasium for everyone. All ex-students and former teachers will be special guests and are urged to attend.

Camp Fire Council Holds Monthly Meeting

Directors and adult leaders of the Collin County Council of Camp Fire Girls, Inc., met at Johnny's Cafe Monday, October 9, for the monthly meeting. President Worley Smith presided as reports were made by each member of the Board.

Mrs. James Ford, training chairman, and Mrs. W. W. Ball, local director, discussed the training course which is progress for leaders of Blue Bird and Camp Fire groups. All leaders in these groups are urged to attend the course which is held Monday mornings of October 15 and 22, at the Central Presbyterian Church. Out-of-town instructors were present Monday to assist with the day's program. Parents, regardless of whether they are active in a group are invited to attend the course to become better acquainted with the program. The programs are highly entertaining and constructive, and are held from 8:45 a. m. to 2 p. m.

The board was advised by the Greater McKinney United Fund had approved the budget for next year, and members were asked to contribute to the fund drive, now in progress.

President Smith also presented a monthly report of the "income and expense" account of the Council. The Council discussed the possibility of leasing a tract, near the outskirts of the city, to be used for over-night trips and outings by the Camp Fire and Blue Bird groups. This project will be under survey for a period of time.

The November meeting will be postponed from the first Monday, until later in the month, the date to be announced. At that time Mrs. Sy Gostin, Region 4 representative, will bring a report of her trip to a meeting in New York, the early part of the month.

Homecoming Of Wesley College Exes Sunday In Greenville

A homecoming of Wesley College Ex-students will be held in Kavanagh Church, Greenville, Sunday, October 14. Basket luncheon will be spread in the church dining room following the morning services.

All former students, their families and friends are invited.

H. M. Bradford Jr., 1232 S. Salva St., Dallas 18, is president and Ann Bradford, Box 5373 N. T. Station, Denton, is secretary.

Miss Lola Belle Howard, of Corsicana, is visiting in the home of her sister, Mrs. Neville Talkington and Mr. Talkington.

Three Highway Accidents Here Over Weekend

Dan Nowlin, patrolman for the State Highway Department, investigated three accidents over the weekend.

On Friday night at 7:30 o'clock, a car, driven by Don Wesley Little, of Garland, went out of control on the Chambersville road, running into an embankment. No one was reported injured.

Sunday afternoon two cars collided at Princeton. Ted Sisco and R. W. Moore (colored), both of McKinney, were uninjured.

Mrs. Lillian E. Moore and Richard Eugene Moore were injured in an accident at Melissa Sunday evening about 6:45 o'clock and were rushed to the City-County Hospital in the Turrentine-Jackson Emergency ambulance. Principals in the accident were William J. Adams, of Dallas, and Richard Eugene Moore, the drivers. Adams was attempting to pass a car on the right side, when his car skidded into the Moore automobile which was parked.

The impact turned the Moore car around, throwing Mrs. Moore out of the car. The Adams car bounced into the Moore car a second time, throwing Adams from the car. Extent of damage to the two vehicles, has not been ascertained.

City And County Officers Report Quiet Weekend

City and County officers reported a rather quiet weekend with routine investigation and patrol work the main activity.

Chief Euel Ford reports one sleeper in the City jail Sunday night. The County jail had 12 prisoners Monday morning.

Deputies Jim Standerfer and Robert Ramsey arrested a "Drunk" in Celina Sunday night, while Deputies Brooks and Vaughan picked up a man, three miles East of McKinney placing him in jail on charges of drunkenness.

Grass Fires Keep Booster Truck Busy

Three grass fires and a shed fire Monday afternoon kept the booster truck of the McKinney Fire Department "on the run". Grass fires occurred on Throckmorton, 400 South Benge and 1901 Griffin Streets. The shed fire was at Hall and New Street.

Other reports from the city and County police departments were "all quiet" Monday night.

Eight persons were in the county jail Tuesday morning.

Mr. and Mrs. J. A. Smith Jr. and family, have moved back to El Centro, Calif., after spending several months in McKinney. They came here during the illness of Mr. Smith's father, remaining here until about a week ago.

Mrs. W. T. Hoard has returned from Ardmore, Okla., where she attended the celebration of the 90th birthday of Mrs. Newton J. Hickman, mother of Mrs. Bud Hoard.

McKinney Listed In Six-County Traffic Survey

A recent survey from Austin reveals Sherman had the heaviest traffic within a six-county area.

An average of 27,000 motor vehicles crossed the Sherman City Limits every day the last year on the four major highways entering that city.

The survey included daily averages for other cities in the North Texas area, one of which was McKinney, with some 23,860 entries.

Other daily traffic averages at Sherman, U. S. 82 East — 3,800 vehicles; U. S. 75 South — 7,020; U. S. 82 West — 5,100.

The average daily total at Denison is 23,810, with U. S. 69-U. S. 75 North adding 6,240 to the 12,160 on U. S. 75 South, and with 2,890 more counted on U. S. 69 East and 2,320 on State 75A North.

Next busiest traffic point in Grayson County is Whitesboro, with a total daily average of 9,840 vehicles. The intersection of U. S. 82 with State 289 East of Sherman, registers 9,750 vehicles in an average day. At Whitewright the count is 3,420 and at Bells it is 8,410.

At Bonham, the figure is 10,820. For Gainesville it is 17,050; for Denton, 26,840; and for Greenville, 25,080.

Although Sherman has the biggest traffic count of any city in its area, it has less than half the traffic problem of Irving, a Dallas suburb which also catches some of the Dallas-Fort Worth traffic, and had a 1955 population estimated almost as large as Sherman's. The daily traffic total at Irving averages 57,220 vehicles.

Even that is just a small part of the traffic generated in the Dallas area. On the 18 main highways entering Dallas, the daily traffic average totals 210,420 vehicles. But only six of these 18 Dallas routes have a higher traffic count than U. S. 75 North at Sherman.

D. E. Club Of Boyd High Names New Officers

The Distributive Education Club of Boyd High had the first meeting Monday night, October 8, to elect new officers as follows:

President, Norma Miltstead.
Vice president, Shirley Paar.
Secretary, Martha McWhorter.
Treasurer, Sue Parker.
Program chairman, Shirley Kissinger.

Sergeant-at-arms, Tom Crump.
Historian and reporter, Barbara McFee.

Club activities and dues were discussed and plans made to attend the State Fair October 16, as a group. This year, for the first time, the club is planning on purchasing D. E. jackets.

The club is under the supervision of B. T. Lambert, and many new plans are underway for the year.

Collin Dems To Meet Here Saturday 2 P. M.

The Collin County Democratic Executive Committee, and other leading Democrats of the county, will hold an open meeting in the District Court room, in McKinney Saturday, October 13, at 2 p. m.

Youth Arrested Here For Theft From Local Store

A McKinney youth was arrested by City Officers Williams, Elmore and Head, for the theft of \$30 from a change cup at the J. C. Penny Company Store, Friday afternoon. The teen-ager was released to his parents Thursday evening and will appear before Juvenile authorities this week.

Deputies Mahan and Pollard of the Sheriff's Department were called to the John Taylor home at Nevada Thursday to investigate the theft of \$15 in nickels and dimes. They also arrested a Lavon man for drunkenness Thursday night, placing him in the County jail.

Mr. and Mrs. Don O. Davis leave Tuesday for the Postmasters Convention in New York City, N. Y. They will be accompanied by their son-in-law and daughter, Mr. and Mrs. Richard Carr, of Texarkana.

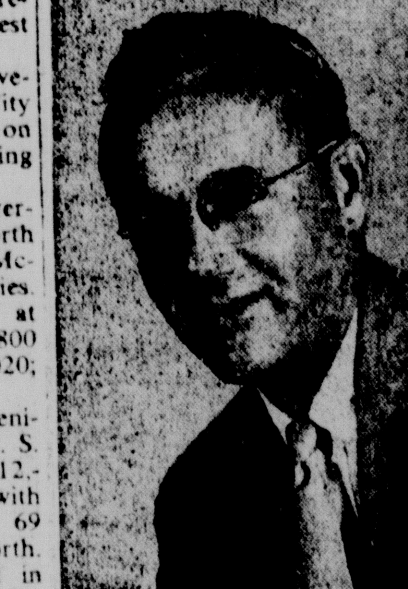

Union Pickets Parade Before Pants Company

Union pickets paraded before the McKinney Pants Manufacturing Company, on Highway 24, this morning before work time. The number of people effected by the strike, or the cause of the strike, is not known.

According to the United Press, the Haggard Company, in Dallas, said:

"Haggard Co. says nobody is presently who can discuss McKinney strike. Promised to call."

Rotary District Governor Here Friday Noon

Euclid T. Fant, Jr.

The Rotary Club of McKinney Friday will be host to Euclid T. Fant, Jr., Governor of the 188th District of Rotary International, who is making his annual official visit to each of the 50 Rotary Clubs in Northeast Texas. He will address the local Club and confer with President Kenneth Eubanks, Secretary Horace Nelson, other officers and committee chairmen, on Rotary administration and service activities. Luncheon will be served at the First Methodist Church.

Mr. Fant is a member and Past President of the Rotary Club of Sherman. He has been active in Chamber of Commerce, Boy Scout, Camp Fire Girls, Salvation Army, and other civic groups in Sherman, and is a deacon of the First Presbyterian Church there. He was elected as a District Governor of Rotary International for the fiscal year 1956-57 at Rotary's 47th Annual Convention in Philadelphia last June. He is one of 248 District Governors supervising the activities of more than 9,100 Rotary Clubs which have membership of 431,000 business and professional executives in 99 countries throughout the free world.

Wherever Rotary Clubs are located, President Eubanks asserted in discussing the Governor's visit, their activities are similar to those of the Rotary Club of McKinney because they are based on the same general objectives: developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding, and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. President Eubanks added. During the past fiscal year, 351 new Rotary Clubs were organized in 48 countries of North, Central and South America, Europe, Asia, Africa and the Islands of the Pacific, and seven countries were added to Rotary's roster—Angola, Iran, Iraq, Jordan, Netherlands New Guinea, Rwanda-Urundi, and Swaziland.

President Eubanks urges every member of the local club to be present in an effort to obtain a 100 percent attendance for the district governor.

On Thursday evening Governor Fant will meet with the Directors and officers of the local club for dinner at the McKinney Country Club.

Ula Saunders Honored At Church Service

Ula A. Saunders, who for the past 38 years has served as secretary of the Sunday School of the First Christian Church, resigned recently. At promotion day services held at the beginning of the new church year, Sunday September 30, Mr. Saunders was presented with a gold watch.

The presentation was made by Leroy Richardson, superintendent, after which the pastor, Rev. O. E. Grimes, paid recognition to the teachers, assistant teachers, officers and workers of the Sunday School. The service was held at 11 o'clock Sunday morning.

Mr. Saunders, who has been faithful in the activities of the church for many years, is also an Elder and member of the official board. He has also been active in other circles of the city, and at the present time is executive secretary for the McKinney Housing Authority.

The presentation of the gold watch to Mr. Saunders is a token of the esteem and admiration in which Mr. Saunders is held by his fellow-members of the First Christian Church, and for his faithful performance as church secretary for 38 years.

During the Sunday School, Mrs. A. Q. Forte, member of the Harris Bible Class, received her pin for an unbroken attendance record of 33 years.

Mr. and Mrs. C. P. Legate were in Dallas Sunday to attend the State Fair.

Talks For Lavon Water To Dallas Will Continue

Pumping operations are expected to begin October 15, from Lake Lavon, according to announcement from the North Texas Municipal Water District.

Clifford Carpenter, of Farmersville, president of the district, states that delivery of chemicals to the treatment plant prior to October 15 has been authorized by the district. The water will be furnished the ten towns in the NTMWD and Dallas.

At the Board meeting held in Wylie this week, it was decided to continue negotiations on the application of the City of Dallas for a bigger share of the Lake Lavon water.

At the present time Dallas holds a contract to take a minimum of 7,500,000 gallons a day, a maximum of 15,000,000 gallons daily, and an average of 10,000,000 gallons daily during a 12-month period from Lavon Lake. The Dallas application asked that this "take" be jumped to about 40,000,000 gallons a day.

The board of directors discussed the informal proposal of the City of Dallas to purchase additional water, over and above their existing contract with the district. While the board could not accept all of the items of the proposal, it felt it would be well to carry on further negotiations with the City of Dallas and attempt to arrive at a mutually beneficial agreement which might partially alleviate the water shortage that now exists.

About the start of water flow from Lavon: "The directors again emphasized the need for immediate operation of the water treatment plant and auxiliary pump stations. The directors authorized the purchase of necessary chemicals on the basis of bids received Sept. 27, 1956, the delivery of chemicals to be prior to Oct. 15, when it is expected that pumping operations may begin."

Carpenter, who released the statement, said that "the directors also advised the City of Terrell that the district would offer no objections to any of its member cities contracting for the sale of Lavon water—within the limitation of that city's contract with the water district."

Terrell recently experienced a water crisis when a municipal lake supply was almost exhausted.

The Kaufman County town presumably would take Lavon water from the City of Forney, a member town of the district.

In addition to Carpenter, who lives at Farmersville, other NTMWD directors are: C. Hansford Ray, McKinney, secretary of the board; C. Truett Smith, Wylie; H. L. Roach and H. R. Bisby, Garland; A. R. Schell Jr., Plano; N. E. Shands, Mesquite; J. O. Wallace, Rockwall; George Cantrell, Princeton; H. L. Shoap, McKinney; C. L. McCuiston, Forney, and Homer Stinson, Royce City.

BUILD PRIVATE SWIMMING POOL HERE

Willard Morrow, W. E. Lee and M. R. Odle, picture above, have recently completed the construction of swimming pool at the home of Dr. Glenn Mitchell, on North Waddill Street. This is probably the only private swimming pool in the city, but will likely lead to the construction of others next season.

The concrete pool, 21 by 47 feet in dimensions has a depth of from 2 to 10 feet. Morrow and Lee, who had charge of the building, were assisted by Odle, who was the plumber. The eight-inch reinforced concrete walls of the pool have a waterproof paint job, to the waterline, which has a pleasant effect. Towers and diving boards were installed, one a 3-meter board and the other a 1-meter board.

Morrow, who has been engaged building contracts here for some ten years, has done concrete work for the past three years, specializing in custom built patios, driveways, porches, commercial buildings and others.

While he had the contract for the pool at the Mitchell residence, he sub-contracted to John Andrews, on the excavation, and R. B. Willis, electrician.

The pool is one of the largest and prettiest in North Texas, the dimensions exceeding the usual size for homes. Underwater lights cast an effective glow on the water and add to the beauty of the surroundings. Dr. Mitchell, high in his praise of Mr. Morrow and his assistants for their fine job, states that all the bids he received, theirs was less than half of those received from outside contractors.

The Mitchell family, not only enjoy the recreation their new swimming pool affords them, but they are sharing it with their friends throughout the city. It was completed, and ready for use on August 22 and has been used every day since. In fact, they hope to enjoy it as long as weather will permit.

Swimming is not only a health benefit, but also a form of entertainment which may be shared by individuals of groups. Since it has been proven here that swimming pool costs are not out-of-reach, it is expected that other families will in the future enjoy a pool of their own.

Winners of two dozen champion and first place dairy cattle awards in recent Texas and Tyler fairs East Texas State College students will show their animals for the State Fair in Dallas.

One of the 20 animals they will show is E. T. Hostpur Standard Sally, the grand champion Jersey cow at the Four States Fair in Texas. She was bred and raised on the college farm.

At Dallas the college also will be represented in a special display of Jersey cows which have produced more than 10 times their weight in milk in 10 months. The ETSC entry will be Masterman Standard Blanche, classified "excellent" in type.

Two students, Billy Bob McWhorter, Collinsville, and William E. Daniel, Simms, won the special herdsman's award for handling of the entries at the East Texas State Fair at Tyler.

Residents from this area visit Research Farm

Several residents from this area were among approximately 300 farmers from this section who visited the Purina Research Farm at Gray Summit, Missouri, last Monday, and spent the following day seeing the company's research laboratories and general office.

Thousands of farmers from all sections of the United States and many foreign countries visit the Purina farm each year to see results of experiments conducted in livestock and poultry feeding and management.

The 738 acre farm is devoted entirely to farm research projects. Among those present were: Nick R. Owen, Sherman; La Pett, Denton; H. D. Buchanan, Bell; Raymond Judd, Sherman; O. W. Hampton, Denton; J. B. Haisler, Denton; Tommy Taylor, Dorchester; and Donald Danforth, Purina's Chairman of the Board of Directors. Rush Freeman, Southmayd; C. A. Blakeley, Denton; O. E. Carlisle, Farmersville; Herbert Harris, Denton; T. L. Hickman, Farmersville; Walter A. Massie, McKinney, and Jack Vandenhoff, Denton.

School Facts Told Lions Club By Supt. Pearce

Some worthwhile facts and figures concerning the McKinney public schools, were given by Supt. Halds Pearce, to the Lions Club and guests Wednesday at the luncheon meeting held at the First Christian Church.

The ladies of the church served a delightful luncheon, which was preceded by club songs, led by Lion Garner Jones, with Lion T. E. Wyatt as the piano accompanist. Lion Tommy Watson gave the invocation.

Lion Pat Simpson presided over the meeting and Taitwister Vernon Walker, Liontamer Vonn Fagg and Program Chairman Jack Bergvall, performed their usual duties.

Guests introduced were H. D. Mouzon, of Station KMAE, guest of Lion Pearce; Ed Veigel, guest of Lion Chas. McKissick; Bobby Winders, guest of Lion Cecil Winders and Mrs. Plasco G. Moore, of Austin, guest of Lion Ira Anderson.

An announcement concerning the Dale Carnegie Course demonstration meeting at the Jaycee Center next Tuesday night, was made by Ed Veigel. Lion James Redden made a report on the booth, at the County Fair, and copies of committees for the Lions Halloween carnival, were distributed by Lion C. D. Taylor.

Lion Joe Simpson, coach of the MHS Lions football team, asked the club for moral support by attending the game with Ennis Friday night.

Lions G. H. Pamplin and John Nelson, were the program committee for the day, the former presenting a fellow-Lion, Supt. Pearce as the speaker. Lion Pearce based his remarks around two questions: "How Much Does It Cost?" and "How Well are Our Children Learning?" or, "How Do We Measure Up Nation-wide?"

"Our cost is \$219.91 per child, figuring the cost from the daily attendance. Compared with the state cost of \$228.22, there is a difference of \$28.31, showing how much less we spent in McKinney, compared with the average cost by the state." Illustrations were used to point out the basis for these facts.

The speaker elaborated on a thorough testing program inaugurated in the elementary schools last year in which every child was given an achievement test. It was pleasing to note that the tests showed "we are four and a half months ahead of the national grade placement" on the average. The tests are not made up in Texas but by the World Book company. It is the plan of local school administrators to give the tests each year in the elementary schools. At this point Supt. Pearce paid merited tribute to the teachers in the McKinney public schools, for the achievement of their pupils. Fifty-one percent of the teachers in the city schools hold Masters' degrees, or higher degrees.

The superintendent also discussed the curriculum guides which were written the last two years by the teachers, and their value in teaching the various subjects which they cover.

The standardizing testing program has not yet been started in the High School, but will be inaugurated later. It is expected that the results will be even better than in the elementary schools.

The club will meet next week at the First Methodist Church when Lions Jack Pratt and Guy Fareham will provide the program.

Surviving are two daughter, Mrs. D. B. Talkington, of Texarkana; Mrs. Ralph Parker of Vernon; two sons, Jesse Ragsdale of Dallas and Fate Cantrell, of Frisco; two brothers, C. H. Ragsdale of McKinney; Ben F. Ragsdale, Cattleshop, Ky.; one sister, Mrs. Lottie Allen, Belleville, Ill.; three grandchildren and one great-grandchild.

MR. AND MRS. E. C. McMURRAY SR.

Mr. and Mrs. Elmer C. McMurray Sr., 201 Graves Street, this city, were honored at open house Sunday, October 7, from 3 to 6 o'clock, the occasion being in observance of their Golden Wedding anniversary. Children of Mr. and Mrs. McMurray, who were hosts for the delightful party, are Mrs. Roscoe Wallace, of Greenville, Mrs. Charles Prince, of Savoy, Miss Lucille McMurray, of McKinney, and E. C. McMurray Jr., of Graham.

The McMurray home was a bower of flowers throughout carrying out a golden wedding theme in decorations. The dining table, covered in a gold net cloth, held as a centerpiece, a handmade gold net "tree of life," abloom in gold mums with satin streamers.

The wedding cake, designed as an open book, was in white, inscribed in gold and embellished with gold rosebuds. The inscription included the wording "May each page turn in this book of life be a blessing Reppie Jane and Elmer C., 50th anniversary."

The cake was served by Mrs. Ed Allen, while Mrs. John K. Wilson poured punch from a silver bowl. Others assisting in serving the dainty refreshments were Mrs. Carl Melton, Mrs. Lucille Hines,

and fashioned with high neckline, small covered buttons down the front of the blouse, full, long sleeves with tight lace cuffs held together with small covered buttons, and a tucked full skirt, covered with lace. She wore a small white all-weather hat, white gloves and white kid shoes. Miss Hallie Cooper, now Mrs. H. S. McLarry, of Dallas, played the wedding music.

For her anniversary party Sunday, the bride of 50 years, was lovely in an imported lace dress, in soft rose, trimmed in gold, and with which she wore gold slippers. Her only jewelry was pearls and

Allen Eagles Win 67 To 26 Over Annona

The Allen High Eagles once again used their outstanding speed and brilliant maneuvering to smash a spirited Annona Wildcat team Friday night, at Annona. The Eagles assumed a confident 34 to 0 lead in the first half.

The Eagles' wily little quarterback called his plays well and headed the big blues wicker, blocking attack.

The game opened with Charles Davis, one of Allen's vicious ends, who returned the pig skin 7 yards. Pilkinton and Carroll took turns running the ball for the downs and then Carroll, following blocking by his teammates, rambled through the Wildcat defense for an astounding 25-yards and a score. Carroll's kick was good.

The Annona attack was valiant, but in vain. For the next score, Carroll galloped 48 yards behind the usual blocking by the Eagle charges. The extra point kick failed.

The Wildcats were again stopped cold. The Eagles resumed relentless blocking and again escorted Carroll over the goal line for another Eagle score. The extra point pass to Charles Chandler brought the score up to 20 and 0. The Wildcats next move went haywire when Carroll latched onto a fumble in the Annona back and sped away for the fourth Eagle touchdown. The extra point was good.

Annona took to the air but again failed as Stratton intercepted a pass and ran 57 yards for another count. A pass to Davis was good for the extra point.

This ended scoring for the first half.

The Wildcats finally got into the game as Lowe received a pass

from the 45 yard line and the try for extra point was good.

The new Eagle took the first Annona score in stride as Lanny Erickson returned the kick off 30 yards with another show of good blocking. Albert Smith took the ball from Quarterback Kenneth Shearers and made 7 yards. On the next play Erickson made 14 yards for a first down. Smith ran around right end and was brought down inches from the goal line. Thinking Allen had scored, Coach Vaughn sent in his kicker for the extra point. Yet it was a mistake and Pilkinton lashed around left for the score.

Coach Vaughn again sent in a new squad.

Annona came back and threw a pass to Lowe for the Wildcat second score. Erickson returned the kick off 19 yards. Hanning games five and then Shearer hurled a pass to Joe Masters for a 20 yard gain. Four plays later Annona got the ball and passed for a score.

The first string was sent back in and Carroll scored on a 19 yard sprint and passed to Pilkinton for extra point. Lowe scored again with a pass from the 45 line. The final score was 67 to 26.

Players participating were: Annona — Douglas Roberts, Byron Roberts, Grant Thomas, Donald Lowe, Lannie Jones, Billy Coleman, Ted Peak, W. C. McGregor.

Allen—Harold Carroll, James Pilkinton, Charles Davis, Kent Stratton, Ronnie Crockett, Charles Chandler, Wayne Stratton, Joe Masters, Tim Cundiff, Albert Smith, Kenneth Shearers, John Davidson, Max Lee Hanning, Lanny Erickson and Mike Day.

Allen's secret of success is the blocking and tackles by Charlie Speight.

Summary of the game: Allen—210 yards gained rushing; 43 yards, passing; 1 pass intercepted.

Annona—154 yards gained rushing; 114 passing yardage; no passes intercepted.

High Lions And Ennis End In 20-20 Finish

By NORMAN SCOTT

The McKinney High Lions let a 20-6 third quarter lead get away from them as the Ennis High Lions marched 66-yards late in the third period and then after intercepting a McKinney pass, moved 38 more steps for another marker late in the fourth stanza with center Jerry Norman converting after each score in a game that ended in a 20-20 deadlock at Ennis Friday night in a non-district tilt.

Halfback Jackie Walker climaxed the third quarter drive by going 8-yards over left tackle, and halfback Jimmy Kirkpatrick set up the fourth period touchdown by intercepting a Robert Joplin toss on the Ennis 25 and returning the pigskin to the McKinney 38 before being knocked out of bounds.

From the 38, another Kirkpatrick, David, teamed with Jimmy to move the ball to the McKinney 2 from where David Kirkpatrick blasted left tackle for the touchdown with 3:39 left in the game. Norman sent his second conversion through the uprights to tie up the game.

The Ennis crew opened the scoring in the first quarter by taking the opening kick-off and moving 67 yards for the TD, featured by a 40-yard aerial from Harris Connell to David Kirkpatrick to the McKinney 20-0. Fullback Sonny Burden crossed the double stripe for the final 4 yards with Norman missing the extra point.

Shortly thereafter, Ennis recovered a McKinney fumble on the McKinney 37 but were stopped 4 yards short of another score, as McKinney quarterback J. W. Stewart getting off a beautiful 63-yard punt to get the Lions out of the hole at this point.

Stewart's punt travelled to the Ennis 25 and 3 plays later, McKinney pounced on an Ennis fumble on the Ennis 45 to get their first touchdown underway.

From the 45, McKinney was unable to move and Stewart punted to Walker, who fumbled on the Ennis 24 with end Don Wharton recovering for the Collin County eleven. Charlie McIntire, Stewart and Marshall moved for a first on the Ennis 13, and after a Stewart to Wharton pass over the goal line failed, Marshall found a big hole at left tackle for 13 and a score. Wharton sent a perfect placement through the uprights for a 7-6 McKinney lead, with 7:11 left before intermission.

Late in the second period, Charlie McIntire returned an Ennis punt to the McKinney 39 and featuring a 13 yard gainer by Marshall and a 20 yard-gallop around right end by halfback Kenneth Locke to the Ennis 20, the McKinney eleven put their second marker on the scoreboard with Marshall going over from 1-yard out with only 17 seconds remaining in the half.

An off-side penalty against McKinney at this point actually proved to be the difference in the game as Wharton converted on his first try only to miss from the Ennis 7 on the second attempt.

After an exchange of punts early in the third, center Philip Wilson recovered a Walker fumble of Stewart's kick on the Ennis 30 to set up McKinney's third period score.

On the first play from the 30, Stewart hit Wharton on a 26-yard pass to the Ennis 7 where Ennis was penalized to the 1 for a personal foul. After Marshall hit center to move the pigskin inches short of the double-stripe, halfback Bob Byrd hit left tackle for the 6-pointer and Wharton converted for the 20-6 McKinney lead but that wilted away and McKinney was fortunate that Ennis didn't come up with a victory as another Joplin toss was intercepted by line-backer Ray Roberts who returned to the McKinney 31 with only a few seconds left in the game. McKinney received a personal foul penalty on the interception play that moved the ball to their 16.

From the 16, Connell connected with David Kirkpatrick who moved 12 to the McKinney 4 and after moving to the 1-yard marker on the next play, Wharton and Byrd spilled Walker for a 2-yard loss at right end as time ran out.

On the defensive side of the ledger, Wharton at end probably turned in the outstanding performance for McKinney, along with Joe Powell, the other Lion terminal, plus Joplin who performed.

Little Onion Belt League Is Organized

A boys' football league has been formed in the county, with teams representing Farmersville, Frisco, Prosper, Plano, Wylie, Anna and Princeton. The league will be known as the Little Onion Belt Junior High League. At the close of the season a trophy will be presented to the winner of the team.

Plano Routed By Richardson By Score 39-13

A resurgent Richardson racked up its first victory in four tries at Richardson Friday night by smashing the Plano Wildcats, 39-13, in a non-district game.

The Eagles came to life on three touchdowns runs by Bill Skiles, who piled up 190 yards on 13 carries.

Skiles, led by hard blocking Richardson, linesmen, scored on 20-and 53-yard runs and added a third by crashing over from the 5 yard by a sustained Richardson downfield march.

Harry Fife climaxed another Richardson scoring drive from the one. Larry Burnett's 35-yard run to the goal and a 50-yard pass play from Bob Holley to Gerald Keith added to the Eagles' touchdown parade.

Plano's aerial attack over a stone hard Richardson line netted 171 yards on 44 passes, but only once carried Plano to a score.

The touchdown came when Don Gunn fired to James Uleson on a play that covered 45 yards. Mickey Christian added Plano's second score on a line plunge from the 1-yard line.

capably at an inside linebacker post. Bob Byrd also did a good job at his outside linebacking spot.

For Ennis, end Bobby Wilhoite, guard Roy Price, tackle Billy Glasp, and center Jerry Norman, looked good while Jimmy Kirkpatrick and Walker stood out in the secondary.

McKinney picked up 175 yards rushing and 31 passing on 2 completions in 9 attempts, while Ennis managed 158 on the ground and 93 in the air on 5 completions in 10 tries. McKinney had 13 first downs and Ennis collected 18.

Prosper And Celina Play 8 To 8 Tie

The Prosper and Celina grid-ders played an 8 to 8 tie in Prosper Thursday night before a large crowd.

Terry Edwards of Prosper made the first score of the game, during the second quarter, also kicking the points. Curtis Christian is coach at Prosper.

The Celina score was made by Ray Pimion, who also kicked for the extra point. This score was made ten seconds before the half. Buddy Smith coaches the Celina team.

Joe Martin did outstanding on the defense for Prosper and Pimion did outstanding work for Celina.

Summarizing the game, Prosper made 9 first downs to Celina's five, and Prosper made six penetrations to Celina's 2.

Next Thursday night Prosper plays at Southmayd while Collinsville will play at Celina.

Panthers Down Frisco By Score 39 To 6

The Van Alstyne Panthers won their initial district contest at Van Alstyne Friday night from the Frisco Coons, 39-6.

James Gouard and Jerry Tillet of the Panthers led their team to the victory. Gouard scored first in the initial period on a 21 yard run. Tillet followed in the same period with 2 yard plunge for the score. In the second period Tillet passed 16 yards to Howard Moore for a score.

After the half Gouard tallied from 20 yards out. Also in the third period Wilford Kindle ran for a 40-yard score. Still in the third period Jerry Hicks of Frisco scored from 6 yards out. The last Van score came in the final period when Robbie Walker passed to Gouard for 20 yards.

Princeton Takes Anna In Close 8 To 7 Score

The Princeton Panthers took the Anna Coyotes 8 to 7 in a closely played match at Anna Friday night. This was the fourth loss of the season for Anna and the second win for the Panthers.

All of the action took place in the third quarter when Anna took the ball in the kickoff and marched straight down the field for a touchdown and extra point. Princeton tackled Anna behind the goal line for a safety, and two points, and followed up with a touchdown. The key play for Princeton was a pass from Quarterback Larry Smith to Carol Lokoy, and end carried the ball to the five-yard line, Kenneth Thomas, fullback, took the ball over in two plays.

Princeton's lone score was made when Gene Riddle recovered a fumble in the end zone.

Farmersville Beats Leonard By Score 26-6

The Farmersville Farmers, scoring behind the runs of Kenneth Craighead, James Watson and Harold Mayo, swamped the Leonard Tigers at Farmersville Friday night, 26-6.

Leonard's lone score was made when Gene Riddle recovered a fumble in the end zone.

Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to know how it goes around to a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tidelands back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

that promise, and he promised to give us a government in Washington that we could be proud of, because it was clean and honest and efficient—and, in this man's opinion, he had kept that promise.

"I know you're reading and hearing a lot of stuff to the contrary," he told us, "coming from Brother Stevenson and Brother Kefauver and the rest of the politicians on the other side. That's politics for you. Everybody expects them to jump on Ike every way they can, and I guess they'll keep on doing it right up to Nov. 6. But the American people are smarter than some politicians give them credit for being, and before they vote they're going to sit down and ask themselves this question:

"Remembering 1952, when our boys were dying in Korea and the newspapers were full of talk about mink coats and Communists and corruption in Washington—now, be honest about it: If you could, would you go back to 1952 and start over with Adlai Stevenson instead of Dwight D. Eisenhower?"

This man said he wouldn't, and come to think of it, I wouldn't either. As a matter of fact, I think Ike has made us one of the best presidents we ever had. If we had to go to war, I'd certainly rather have him at the head of our government than any other living American. But even more importantly—I'm convinced he is the best man to keep us OUT of war.

That's why I still like Ike—better than ever!

Yours truly,

Gex

Small Grain

I would like to encourage all farmers planting small grain this year to treat your seed before planting. You can treat your wheat, oat and barley with 1/2 ounce of "Ceresan" per bushel and this helps control stinking smut, damping off and seed decay in your small grains.

Knox - a new, high-quality, soft red winter wheat variety is recommended by Texas A&M College for the following nine North Central counties of the State: Collin, Cook, Dallas, Denton, Fannin, Grayson, Hunt, Rockwall, and Tarrant.

Calcium Supplement in Cattle Rations

If legumes are not included in the fattening ration for cattle, there may be a deficiency of calcium in the feed. Calcium is especially important in rations for young animals since it contributes to bone development.

Calcium is supplied in many forms, such as pulverized limestone, oystershell, and calcium carbonate. One ounce of calcium in any of these forms in the daily ration should make up for any calcium deficiency due to the absence of legumes in the feed.

Steamed bone meal, which contains both calcium and phosphorus, is another valuable calcium supplement. The bonemeal can be fed free-choice in a box next to a salt box but should have some covering to protect it from the weather.

Hints On Roughage Feeding Of Dairy Cows Offered.

The toughest problem faced by Texas dairymen, is how to build a feeding program for their herds in face of an ever-dwindling supply of hay or silage.

Here are the answers Burslen got when he put the question to Dr. R. E. Leighton of the Department of Dairy Science. Leighton said dairymen must keep in mind the basic principles governing the use of roughages in the dairy cow's ration. He said there is no room in the rumen of a good dairy cow for filler feeds if she is to continue to be a good producing cow. She must maintain her body and have additional nutrients to produce milk at a profit, and she can't do

both on low quality feed.

Too, when a dairy cow digests feed high in fiber content, a considerable part of the digestible nutrients in the feed is used in the work of digestion. The energy released in the process is converted to heat which will help warm the cow's body in cold weather but will not produce milk. This means that low quality roughages are not only only a poorer source of digestible nutrients but also give less digestive nutrients for productive purposes because of the excess work of digestion.

When dairyman must buy his roughage, the best quality, with few exceptions, is the most economical. There is less waste and more important he gets more milk for each pound of feed fed.

Dairymen who have some good hay or silage are advised to stretch their supply by feeding a third to a half good roughage and filling in with roughage of lower quality. He doesn't advise feeding a roughage lower in quality than cottonseed hulls. He reminded Burslen that when cows are off green pasture for 2 or more months vitamin A deficiencies may occur. Spreading the good roughage over a longer period will help prevent this trouble. Two pounds of dehydrated alfalfa meal daily is advised for all dairy cows not getting a good green colored roughage.

If a good concentrate mix can be had for a reasonable price, Leighton said the dairyman might find it profitable to replace part of the roughage with such a mix but he warned that dairy cows should have no less than 10 to 15 pounds of roughage daily, on a dry basis, to remain in good health.

United Fund Drive At Plano Gets Off To Good Start

More than 100 workers are canvassing the Plano community in their first annual United Fund Drive, in an effort to reach a goal of \$7,000. The kick off breakfast was held last Tuesday morning, since which time the workers have been engaged in an enthusiastic and successful drive.

Rev. Edgar L. Huffstutler, pastor of the First Methodist Church, in Plano, is president of the Plano United Fund, while James L. Clarkson Jr. is campaign chairman.

Virtually all charities are included in the combined drive and officials have said that if the \$7,000 goal is reached there will be ample funds for all agencies as well as for the operating budget. Part of the funds allotted the Salvation Army will remain here to be administered by a local committee for relief purposes.

Negro citizens of Plano are being lined up for their part in the drive, and Fund officials met with Supt. E. A. Sigler and other local school representative to give the students a part in the campaign.

The board of directors includes Reverend Huffstutler, president; Roy Murrell, vice president; Leon Dugger, treasurer; Mrs. Jack Lair, secretary; Bill Goodman, Frank Robinson, Ray Graves and Reece Henry, members-at-large.

Floyd Jolly, elementary P-TA; Mrs. Cecil Taylor, high school P-TA; R. V. Kimball, IOOF Lodge; Dr. J. H. Porterfield, Chamber of Commerce; Mrs. James Robinson, Garden club; Mrs. Frank Harrington, Thursday Study Club; Mrs. Etie Lyngbe, B&PW; Raymond Dupree, fire department; Frank Phillips, Lions Club; Don W. Bagwell, Rotary Club; and the Rev. Dan Cummings, Ministerial Alliance.

Business district workers are Jim Mitchell and Alex Schell III; Nathan White, Joe Keim, Homer Horton, Jack Harrington, Slim Smallwood, Bill Goodwin, Don W. Bagwell, Leon Dugger, Frank Adams, Dr. Ralph Butts, Joe Sharpe, and Ray McCutcheon.

Mrs. C. J. Wood and little daughter, Christie Ann, of Texas City, are visiting her mother, Mrs. H. H. Stanley here. Dinner guests in the Stanley home Thursday evening were Mrs. S. F. Ballard of Terrell and William Wood and Gary Broach, of NTSC, Denton.

Roy Akin, who has been a patient in the City-County Hospital for several days, is reported to be improving, which is pleasing news to his host of friends.

Final Rites For S. A. Teater Sr. Are Held In McKinney

Final rites for Samuel Arnold Teater, 64, were held Monday afternoon in the Harris Funeral Chapel in this city, conducted by Father Hendricks, local minister. Interment was made in Pecan Grove Cemetery, with the following pallbearers: Clyde Benson of Sherman, Orville Dawson of Fort Worth, Clifton Dawson of Paris, D. C. Goodman of Wylie, Tom Porter of Allen and J. M. Miller of Denison.

Mr. Teater, born in Foreman, Ark., moved to McKinney twelve years ago. He was married to Miss Snowy Lee Dawson in Pleasant Hill, Okla., and he was a Presbyterian minister in his young manhood. His parents were Harry and Nancy Ann Current Teater.

Surviving are three sons, Robert Shelby Teater of Spokane, Wash., Samuel A. Teater Jr. and Billy Teater, both of McKinney; four daughters, Mrs. Ruby Gonzales, Mrs. Opal McKinney; four sons, George Teater of Dallas and Mack Teater of Conroe; a sister, Mrs. Lillie Nix, of Dallas, and 20 grandchildren.

Chili Supper At Forest Grove Thursday Night

The annual chili supper and bazaar for the benefit of Fitzhugh Cemetery, will be held at Forest Grove Thursday night, October 11. Come bring cakes, pies and "What Have You?" The evening's entertainment will be "Bingo."

Plenty of home-made goodies will be offered to eat and the public is cordially invited.

Willie Ray, of Fort Worth, visited his parents, Mr. and Mrs. John Ray at Altoga, recently.

Highlights And Sidelights Of Friday's Game

By FRED DICKINSON

This one was the best of the season from the spectators' standpoint, a high scoring 20-20 tie with a lot of thrills and spills.

A determined McKinned stand with the clock running out is all that kept Ennis from winning. Don Wharton, the Blue and Gold's alert end, broke through with his third fine tackle of the night to nail Ennis' Jackie Walker for a big loss as the clock ran out.

Ennis' brand of Lions were inside the 10, charging mightily when Young Mr. Wharton put the headlock on Walker and then rolled over and anxiously peered at the clock at the other end of the field. Wharton made a lot of fine tackles, but there were outstanding. This one was a beauty as he sifted through the rambling Ennis interference and nailed Walker. On another occasion he broke through to slam Harris Connell, the Ennis Quarterback for a long loss on a desperate pass attempt.

Connell proved to be a very bright boy. Although not as spectacular a ball handler as Arlington's left handed Snider, he was a smooth article. Ennis used the same basic offense as McKinney — the so called "belly" series from the T-formation in which the quarterback runs a few steps alongside another back holding the ball in said back's "tummy" to confuse the opposition. Mr. Connell did this extremely well. It seemed to us that he did it so well the hard charging McKinney line was losing a split second trying to figure out whom they should tackle. That hurt.

You might say that the first and fourth quarters belonged to Ennis; the second and third to McKinney. The local Blue and Gold ran up a comfortable 20-6 lead behind the splendid quarterbacking of J. W. Stewart and then watched a mighty Ennis comeback erase that lead and almost win in the final moments.

Stewart got off the best punt we have seen all year — a booming 61-yard wallop that sailed right over the Ennis safety man's head and then rolled for about 10 yards. It was a beauty and put the Ennis lads in a hole they couldn't get out of until McKinney scored.

J. W. again mixed his plays well. The head mixed pass he tossed up the middle to end Don Wharton to set up the third score was perfect in every detail. It covered 21 yards and there was doubt for some little time if two Ennis defenders would be enough to drag down the hard running lightweight end.

The Lion line had its hands full on defense. Ennis was running a deceptive, hard driving, spirited offense. There were a lot of stand-outs in that defense and a lot of scrapping up in the muck of the line. Robert Joplin, 155 pounds of sheer battling spirit, was the leader in that defense. Time after time, he slid off would-be blocker and nailed the Ennis ball carriers with a resounding smack. Normally a line-backer, Joplin played most of the night right up in the Lion defensive forward wall. He got terrific help from his battling teammates, especially Wharton and Bobby Riggs. On one series, Joplin, made two unassisted tackles and helped in two more — all in a row, which is good going in any game.

The Lions again had splendid support from a big caravan of fans who made the trip to root for their favorites. In fact, the McKinney crowd almost filled the east stands.

The MHS band gave a swell demonstration at the half and played some fine music — modern stuff, the lates in popular songs.

This one reminded us of the old saying that a tie football game only serves to make everybody mad.

There was no doubt, though, that both sides weren't willing to settle for a tie. The ball changed hands on long pass interceptions in those last few minutes so many times, the chain carrying gang was completely worn out when the game ended.

Like the rest of the McKinney fans present, we are still proud of our Lions.

Let us not forget that they won more games the first two weeks of this season than they won in the last two years preceding.

They are a very welcome improvement.

Mrs. Thula Cameron, of Altoga, visited her daughter, Mrs. Bob Gibson and husband, in Dallas, who ran a pass 33 yards. Allen scores were made by Carroll, and Joe Marten.

Collin To Join In "Dollars For Democrats Day"

Democrats of this County will join in the biggest and most dramatic fund-raising campaign in political history on "Dollars for Democrats Day" Tuesday, October 16, Paul Worden Democratic County Chairman, announced today.

"Dollars for Democrats Day is a nation-wide drive designed to raise television and radio funds for Adlai E. Stevenson and Estes Kefauver, Democratic candidates for president and Vice President."

The National drive is headed by a real, live Joe Smith, as Honorary Chairman. He is Joseph Edward Smith, former mayor of Oakland, California, and a prominent Oakland attorney. His appointment recalls the unsuccessful effort of Terry carpenter, a Nebraska delegate of the Republican National Convention, to open Vice Presidential nominations to the delegates.

Mrs. Eleanor Roosevelt is National Chairman.

There has never been a political fund drive like this before. It will be concentrated in one day, October 16, during which Democrats will ring every doorbell in the United States to raise money to keep Stevenson and Kefauver on television and radio. Mr. Worden said.

"Our opponents can call on big business for big contributions. In the Democratic way, we are calling the Joe Smiths of the Nation to support Democracy with contributions of only \$1.00 and \$5.00."

"A national poll showed us that the Joe Smiths have more than \$85 million to spend for democracy if they're asked for it. That's what we will be doing on Dollars for Democrats Day."

Retired Postal Employees To Meet Here Saturday

The regular monthly meeting of the Collin County Chapter No. 559, of the National Association of Retired Federal Employees, will be held at 2 o'clock P. M. Saturday, October 13th, in the auditorium of the Chamber of Commerce, 200 West Va. St. in McKinney. All members and other retired Civil Service employees are urged to attend.

The delegate to the state convention recently held in Fort Worth will make a report.

Mr. and Mrs. Cecil Campbell, of Dallas; Mr. and Mrs. Walter Campbell and daughter, of Garland, were guests of their grandmother, Mrs. Delcie Campbell and uncle, Roy Campbell and family, in Nevada.

Mrs. Morris Gay left Saturday for Austin to visit Miss Christine Moses.

Ike Can't Make It Rain, But He's Still Best Man

The other day I asked a farmer if it was dry out his way. He said it sure was. "Looks like we just can't get any rain," he said.

"Why, when Noah had his 40-day flood, we didn't get over half an inch."

There's no mistake about it. Texas is having itself a real drought. Some of the farmers and ranchers in our county are in such bad shape that they may vote for Stevenson.

Old Man Jones, from across the river, said he wasn't going to go to any such extreme. He said he needed rain as bad as anybody else. He claimed water was so precious with him that he had a bucket with a wet handkerchief. But he was holding out awhile longer, anyway.

"I may be stubborn," said Old Man Jones, "but I just ain't been convinced that President Eisenhower is keeping it from raining."
